

# LifeSong

Our Legacy is in Your Hands

Strengthening Families by Strengthening Faith

*Did you know that for every white baby that dies,  
two – three black babies die?*

**Healthy Start**

*Strengthening Our Future HERE*

## What is LifeSong?

LifeSong is all about helping and empowering our families to help reduce the number of black babies that die by providing the following free services to the African American Communities in Volusia and Flagler Counties.

## Awareness

Inform Community about Healthy Start Programs/Services with an emphasis on the LifeSong Initiative.

## Education

Provide education/training opportunities linked to Maternal, Child & Family Health & Well-Being.

## Engagement—LifeSong Churches

Engage churches to create LifeSong Ministries focused on Maternal, Child and Family Health.

## Community Involvement

LifeSong is a community initiative that allows us to work together to address the alarming rate of black infant mortality in a positive way as it allows us to use our art, music, story-telling and dance to send a message that speaks louder than words.

## Collaboration

Together, we can create a MOVEMENT that will help inspire, empower, and educate our African American Families on how to become Healthier, Happier and Stronger Families because this is what God has ordained.

*Weeping may endure  
for the night, but  
Joy  
cometh in the morning  
Psalm 30:5*
